LAUNCH

OF THE

CATHEDRAL FAMILY OF PARISHES CLIMATE JUSTICE EDUCATION PROJECT

LIVING THE DREAM FOR THE BEAUTY OF THE EARTH

Answering Pope Francis' call in Laudato Si' towards an Ecological Conversion

The Cathedral Family of Parishes Climate Justice Education Project will operate in **Ss Peter and Paul's Parish Centre**. Families of Parishes from across the Diocese can access resources re Climate Justice Awareness, can avail of presentations, workshops, book club and films and network together to exchange ideas enabling them to answer the call of Laudato Si' in their own areas.

The Cathedral Family of Parishes Climate Justice Education Project is working on supporting Biodiversity in Faith Grounds of the Cathedral Family of Parishes in partnership with other interested bodies.

This project is in response to the call from the Irish Bishops conference inviting all Catholic Parishes across the Island of Ireland to consider returning 30% of Church grounds to nature by 2030.

Reflection

God's peace is a gift to be received and shared. Here at Emmaus Café, peace flows through conversation, laughter, and listening—just as the disciples felt peace in Christ's presence. "My peace I give to you." (John 14:27)

Season of Creation 2026

The season of Creation is marked throughout the Christian world, from 1st September to 4th October (Feast of St Francis of Assisi) and has a special significance for the Catholic Church, since the late Pope Francis established 1st September as World Day of Prayer for the Care of Creation.

This year's theme "Living Water" is inspired by Ezekiel 47:9-12 – a powerful biblical vision of hope and ecological renewal, while calling us to renewed care for the whole Earth community.
