**SAINT PETER AND PAUL'S
PLEASE BEAR WITH US.....**

Some assessment works on the church building will take place in the coming weeks. The information we gather will assist in planning future necessary work on the fabric of the building. Though the church will not be closed, access to some parts of the building will be necessarily restricted. We would ask for your understanding during this period while we examine what may be required to preserve/improve this beautiful building.

Please follow all signs/directions when using the church over this period, in particular all Health and Safety instructions. We look forward to your co-operation and support.
